On behalf of my current case with you I would like to say how much I appreciate your help. As far as my settlement offer as the plaintiff I am asking for at least ...Realizing that you have to make money on this case as well it is in our best interest to try for all we can get. Due to the current status of the case I am not sure the defendant will pay your fees therefore you and I will be sharing the final settlement. Which is fine as I know and feel that you will do your best in the preceding of the closure of this case??? GIVE IT YOUR ALL

Thanks

Ms. L.A. Rose
